ASPALDIKO

A TRADITIONAL BASQUE FARMHOUSE WITH CENTURIES OF HISTORY

Listed by the Basque Government as a "Cultural Asset and Historical Monument".

The Bengoetxe farmhouse is now the Aspaldiko Restaurant and it's representative of a kind of 16th century building.

It's a fine example of vernacular Basque architecture, with notable historical and ethnographic significance, and among few buildings of that type that remain standing.

Its structure is built entirely of wood and has superb geometric decoration and moulding that can be seen both on the façade and in the interior.

FOOD WITH HEART AND SOUL

Its food is one of Aspaldiko's strongest points. Our kitchen staff's scrupulous attention to detail and the high quality products they use mean our dishes and prix fixe menus consistently delight our guests. Next to its exquisite food, the other mainstay of the restaurant is the floor staff who, beyond being highly professional, are wholly dedicated to providing excellent service and creating a relaxed and pleasant atmosphere

SPACES

Aspaldiko Restaurant has all the luxuries you would expect for events, conventions or business meetings.

We adapt to our guests needs, whether it be a discrete meeting, coaching course, training session or team building activities, gymkhana...
